C/25/082 **Henry Beaufort Bus**
The member of the public explained HCC was removing the Henry Beaufort school bus for Kings Worthy and Headbourne Worthy pupils (HWC/25/049i). She said that HCC seemed to think that parents would be available to escort their children to school. She said the email from CALA concerning the path from the railway bridge in Welhouse lane to the Ridgeway PRow, was important because it stated that CALA would be removing access to the path when 4b was being built. Cllr Hamblin said if CALA withdrew the permissive rights then HCC would be asking the children to trespass. The Council agreed to see if CALA could strengthen their email and the Director of Children's Services was to be asked if HCC was following policy.

- i Cllr Porter said the HCC Council tax would rise by 4.99%. She warned that HCC faced financial difficulties in 27-28 year. She said the TRO processes team was still reviewing the responses to the TRO to close Andover Rd. She encouraged potholes to be reported. She said that a recent Govt. report had rated the Hampshire roads as amber. She said she wanted to ensure HW had a decent deal from the CGR.
- ii Cllr Rutter said that WCC had ensured a balanced budget 26/27. She said the Winchester Buttercross monument was going to be revived. Food waste had now been rolled out to the whole district. WCC had received expressions of interest for the old Leisure Centre site. The proposals had to show community use.

Cllr Rutter left the meeting.

b. Update on recent Winchester Town CGR

Cllr Hamblin said that Kings Barton would become its own parish with 11 Cllrs. HW would have 7 Cllrs. He said that under TUPE the Clerk would transfer to Kings Barton. He said that the development area W4 was being handed to Winchester TC. He noted that the Barton Meadows transfer to HIWWT was not complete and he said the posts were rotting. Cllr De Stefano expressed disquiet that Barton Meadows was remaining with HW parish. He pointed out the £75K of KB commuted sums had been paid towards the area. Cllr Porter said she would raise this with WCC.

a. Update on handover of the park

The Clerk confirmed that a final handover meeting was due to take place the following day. The meeting would verify that the issues raised in the inspection report had been addressed by CALA. As there were no issues with the transfer document she expected transfer to take place swiftly afterwards.

c. Consider installation of a sprung floor in main hall.

Cllr Turner had circulated a proposal for paying for a sprung floor and a brochure (KB/25/126a). He said it was possible to bring down the cost and installation to £4,200. Cllr Hamblin cautioned that the building was a community hall and wouldn't necessarily have much sports use. He said it was important to be careful when deciding which item to invest in. The Clerk said she had emailed CALA to understand if they were open to the proposal but she had not yet had a reply. Cllr De Stefano felt that compensation was due from CALA because they had missed the planning triggers.
