C/23/035 **To Resolve the acceptance of the agreement reached by WCC and CALA regarding the commuted sum for the maintenance of the open spaces due to be handed over to HWPC.**
The agreement reached by WCC and CALA had been circulated to the Cllrs before the meeting. The Clerk explained that the Council needed to resolve to accept the commuted sum as set out in the terms of the agreement between CALA and WCC. She noted to the Council that KBC had recommended to HWPC that it was accepted (KB/23/032). Cllr Rutter explained that the agreement that had been circulated would form the legal agreement between the two parties. Cllr Watters commented that the sum was disappointing and the maintenance of the open spaces would need higher contributions from the precept. The Council resolved unanimously to accept the agreement on the

commuted sum as laid out in an email from WCC's Mr Steve Lincoln, dated 11th May 2023.
